Art Unit: 2632

1. The following is an examiner's statement of reasons for allowance:

the art of record fails to teach or suggest a transportable security portal having the structural details recited in claims 1 or 9, combined with monitoring means including sensors for monitoring an individual within the interior of the security portal, for detecting weapons and hazardous materials; a security monitoring station dimensioned to house security personnel to monitor the individual; a door lock controller for controlling the locking and unlocking of various doors of the portal, to control movement of the individual; and a bomb-blast enclosure secured to the portal and including a bomb-blast flap and an expandable bomb-blast containment balloon secured within the enclosure, so that upon detonation of a bomb within the portal, the flap opens by expansion of bomb-blast generated gases thereby permitting passage of such gases and of any hazardous materials through the enclosure and into the balloon, wherein the balloon in this circumstance is outside the portal.

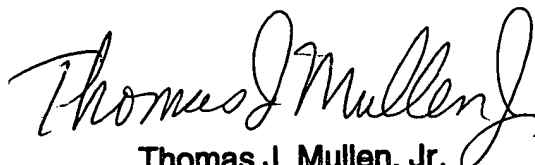

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
